

Soil Science Consultant

The following list of ARCPACS Registered Soil Science consultants is provided as a convenience in obtaining an on-site soil survey. This does not constitute an endorsement of any listed consultant. The names listed below are the names of those consultants that work in this area and, although they do not live in this county, keep updated with Lawrence County requirements. A complete list of Indiana Registered Soil Scientists is available at: <http://oisc.purdue.edu/irss/roster.html>. ***Any soil scientist should check with the Lawrence County Health Department for county-specific requirements prior to doing a soil evaluation within Lawrence County***

NOTE: Soil Science Consultants with an asterisk * do not provide backhoe service for digging pits as required per LCHD policy. It is recommended to have a Lawrence County Licensed Installer on site during the soil survey. (current list of installers available at LCHD)
